**-- NOTICE OF BENEFIT --**

As of July 1, 2008, actively employed members of the Association of California State Supervisors are covered under a DEATH BENEFIT program. This benefit is provided by ACSS to its eligible members and no additional premium payment is required.

This program covers only actively employed ACSS members not covered under a bargaining law. This benefit terminates at date of retirement, termination of employment, termination of ACSS membership, or movement to a rank-and file class. Following is the benefit schedule:

**CURRENT MEMBERS**

**Benefit - \$10,000**

**NEW MEMBERS**

New ACSS members will be eligible for a \$10,000 Death Benefit on the first of the month following notification from the controller's office that ACSS dues have been deducted from the employee's paycheck.

**BENEFICIARIES**

Death benefit payment shall be made to the first surviving class of the following classes of successive preference beneficiaries: the member's (1) spouse; (2) surviving children born to or legally adopted by the member, in equal shares or to the survivor; (3) surviving parents, in equal shares or to the survivor; (4) surviving brothers and sisters, in equal shares or to the survivor; (5) duly appointed executors or administrators of the estate of the member. Any payment made by ACSS in good faith pursuant to this provision shall fully discharge ACSS to the extent of such payment. In certain situations the above beneficiary designation may not meet the need of the insured. In that case the member can request a change of beneficiary form on which the insured can designate a specific beneficiary.
