California State Employees Association Foundation Announces
2021 Scholarship Recipients

The California State Employees Foundation is a non-profit, charitable corporation created to fund Scholarships and Disaster Grants to California State Employees Association affiliate members, dependents, spouses, and grandchildren.

In the past 10 years, the CSEA Foundation has provided over \$112,000 in scholarships. The scholarship program is aimed towards helping students achieve their educational goals and paving a pathway to their future hopes and dreams. This is the CSEA Foundation's 36th Anniversary in awarding academic scholarships.

The CSEA Foundation believes that education bears potential to initiating change in students as they play an important role in shaping the world's future. The CSEA Foundation is committed to investing in education and believe that every act, even a small one, can help turn the world into a better place.

The CSEA Foundation Board of Directors extends our sincere congratulations and wish continued academic success to the applicants and recipients. Each scholarship recipient will receive \$1,000 dollars. The 2021 scholarship recipients are:
